Wholesale Price List *MARCH, 1929*

ISSUED MONTHLY—Always refer to the price list for the current month, as this list cancels all previous quotations and is made on a strictly CASH BASIS.

NOT LESS THAN SIX OF ANY ONE VARIETY AT DOZEN RATES AND TWENTY-FIVE AT HUNDRED RATES. No charges made for packing or delivering to the express company. All goods travel at customer's risk, and any claim for damage should be made to the Express Company upon receipt of goods.

These prices are made on a strictly "Cash with Order" basis, regardless of the responsibility of the customer.

We wish it to be distinctly understood that while we take every precaution to have all plants and bulbs true to name, we give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any of the plants or bulbs we send out, and will not in any way be responsible for the crop. Every order we receive will be executed on these conditions only, and they must be accepted by the customer when ordering.

FOR FULL DESCRIPTIONS REFER TO OUR REGULAR CATALOG, MAILED ON REQUEST.

LOCATION

White Marsh is located on the Philadelphia Road, Route 40, U. S. Md., 12 miles east of Baltimore. The Philadelphia road is the direct route between Baltimore and Philadelphia via Harve de Grace, Perryville, Elkton, Wilmington and Chester. East Fayette and East Monument Streets, Baltimore, lead directly into it.

Visitors always welcome.

FLORIDA PERMIT NOTES

We have a permit from the Florida State Plant Board to ship our stock into Florida.

We have prepared a special lot of 3-inch Lantanas, Coleus, Salvia, Fuchsias, Alternantheras, Achyrantheras, Heliotrope, and Geraniums to meet the Southern demand.

PALMS, KENTIA, BELMORIANA

We are offering a good stock of Kentias, that are clean and healthy, grown cool and with sufficient room to make a natural spreading growth, they will not compare in height with stock that is grown close with the object of getting height by sacrificing sturdiness. The pot sizes are shipped without pots.

Belmoreana—Single Plants.

Size	Height	Each	Dozen
4-inch pots	15-18 inches	\$0.75	\$ 9.00
5-inch "	22-24 inches	1.50	18.00

8-inch "	34-36 inches	6.00	72.00

ABUTILON

Savitzi—Variegated white and green foliage, an excellent border for red foliage Canna beds.

2-inch, \$3.00 per 100. 3-inch, \$5.00 per 100.

ACHYRANTHERAS

These are handsome bedding plants and should be more used. They are taller growing than Alternantheras and will stand trimming in shape better than Coleus. The colors are strikingly beautiful and stand out in distinct contrast when properly planted.

Besterii Mosiaca—Light yellow mottled red.

Blardi—Purplish Crimson.

Gibsonii—Light yellow.

Lindenii—Dark purple, narrow pointed leaves, the popular bedding variety, often used with Dusty Miller.

2-inch, \$3.00 per 100. 3-inch, \$5.00 per 100.

ACALPHA-MACAFEEANA

A tall growing plant used extensively for large bedding and for bordering Canna beds. Can be used among shrubbery for color effect. The foliage is handsome in its coloring, being a combination of bright red and yellow, mottled with chocolate, holds its foliage until killed by heavy frost.

2-inch, \$3.50 per 100. 3-inch, \$5.00 per 100.

AGERATUM FRASERII

The good qualities of *Ageratum Fraserii* as a blue bedding plant is now too well recognized to make it necessary to enlarge upon its description, more than to say it is filling a long felt want. It only grows about 10 inches high, covered the entire summer with true *Ageratum* blue flowers.

2-inch, \$3.00 per 100. 3-inch, \$5.00 per 100.

ALTERNANTHERAS

Extensively used for lettering and low border work.

Sirs:

Unsolicited, I wish to compliment you on the splendid
English Ivy and Petunias you sent us for use at Playland,
Rye Beach, N. Y.

Never in my experience have I received a neater
shipment nor one that came in better shape.

6000 Petunias.

Yours very truly,

6000 3" English Ivy.

A. R. JENNINGS.
